

UNITED  
PRECISION  
PRODUCTS

**COMMERCIAL &  
GENERAL AVIATION**

**PRECISION  
AEROSPACE  
COMPONENTS**

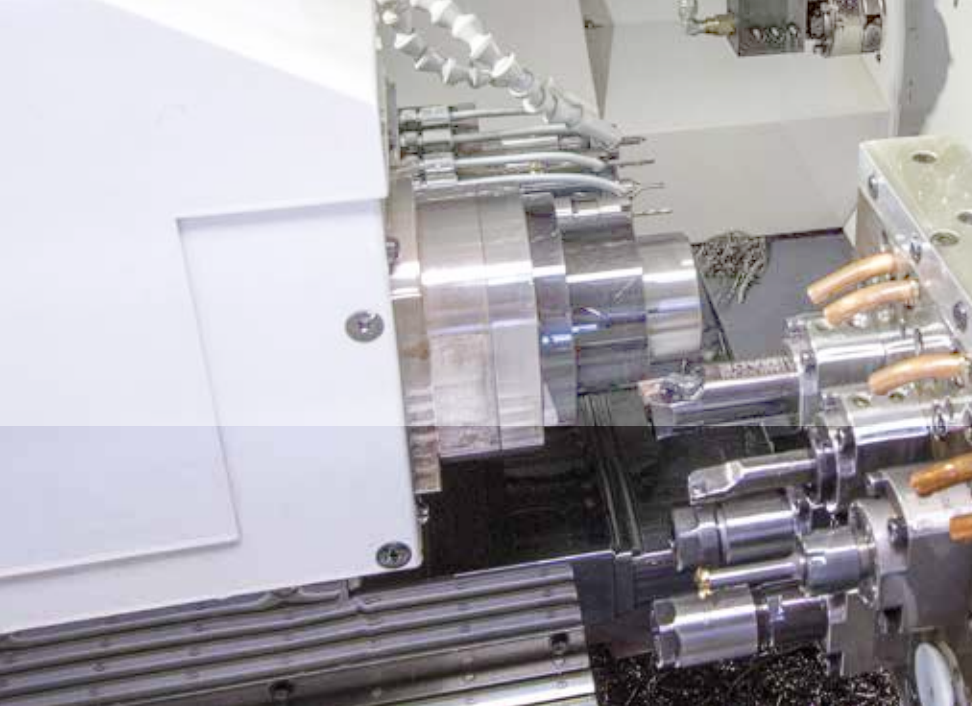

MANUFACTURED TO THE HIGHEST  
QUALITY AND **READY WHEN  
DEMAND IS CRITICAL.**

**MACHINED TO PERFECTION**

Our machining abilities enable our trained machinists to accurately sculpt customer parts, meeting and exceeding expectations by perfecting machining diameters from 0.055 inches up to 10 inches.

**COMPLEX. NO PROBLEM.**

With our advanced marketplace knowledge, we can manufacture parts from nearly any bar stock, conventional steel, super alloy, corrosion resistant materials, or complex nickel-based alloys.

**QUALITY SYSTEMS  
ENSURE PARTS ARE  
RIGHT THE FIRST TIME.**

**ENHANCE. SURPASS. EXCEED.**

For more than 70 years, we have grown with our customers to meet and exceed their needs in the manufacturing of high-quality, precision-made fasteners and related hardware.

**RIGHT. ON TIME.**

The manufacturing efficiencies and know-how we have developed have earned us top-of-the-industry rankings, translating into competitive pricing and rapid turnaround times.

**COMMITTED TO YOU.**

We have built lasting partnerships with our customers as a result of our dedication to making it right the first time.

Our proprietary **Process Review Optimization Program (PROP)** brings manufacturing, engineering, and quality together to realize manufacturing efficiencies, lowering cost and locking in quality.

The UPP logo is a trademark and PROP is a registered trademark of United Precision Products Company Incorporated.
